"FABULOUS DROUGHT TOLERANT HERBS"

WITH

KATY RENNER

Katy Renner is a Cordon-Bleu trained chef and Master gardener.

As a chef, she wanted to grow her own herbs to use in her recipes.

Her backyard is full of herbs from all over the world which she has found to grow and thrive in our area. She even has identified which ones are drought tolerant! Come and meet Katy and learn about herbs, cooking, and how to grow your own drought tolerant herb garden!
