The UC Master Gardeners of Santa Barbara County and Mesa Harmony Garden invite you to join us for an in-person presentation, "Grafting Apple Trees", Saturday, March 2, 2024 at Mesa Harmony Garden.

Master Gardener Russ Baldocchi will discuss several different grafting methods, demonstrate grafting apple scions to root stock, and will provide information on apple varieties suitable for Southern California coastal growing conditions.

Bring your own scion or use one that is provided and create your own apple tree to enjoy for years to come.

Attendance is limited to 30 people and there is a \$15.00 dollar materials fee. To join us please register on the SB Master Gardener website to reserve your spot. Things to remember; bring a hat, water to drink, and a comfortable chair. There are no restrooms in the garden.
