

TOMORROW IS GIVINGTUESDAY!

Join us at midnight and be the first to give—or visit us anytime tomorrow as we highlight the impact of our programs across the state.

Tomorrow, as people around the world support important causes, donate to the UC Master Gardener Program and UC ANR *to extend research-based knowledge and information on home horticulture, pest management, and sustainable landscape practices to the residents of California*. Spread the word to friends and family who also want to make an impact.

We'll be in touch again soon to ring in GivingTuesday. Stay tuned for exciting updates!
