■ UC Master Gardener Program

Santa Barbara County Cooperative Extension

The UC Master Gardeners of Santa Barbara County present a new Garden Talk this evening, Monday, December 6, 2021 at 7:00pm.

Registration is required; click the date (Dec. 6) at <https://ucanr.edu/sbmg> to register.

Master Gardener Tim Milham will give a research-based talk, "Water Capture for the Home Garden". In preparation for this year's anticipated rainfall, Tim will discuss ways to capture as much water as you can in your garden. Master Gardener Sheryl Reimers will follow with a research-based talk, "Water-Wise Home Gardening". Using the water you have wisely in your yard is fundamental to an efficient and productive garden. We hope you will join us.
